80s Style

30th YEAR

Sponsored Fancy Dress

Dig out the leg warmers or raid the charity shops for some retro goodness, and get sponsored to wear 80s gear for a day, or even a week.

Or why not have an 80s fancy dress party, and fundraise on the night either with donations on the door or by running a raffle.

Retro Dinner Party

Prawn cocktail, vol-au-vents, Black Forest gateaux. Who's not going to love making and scoffing retro grub?

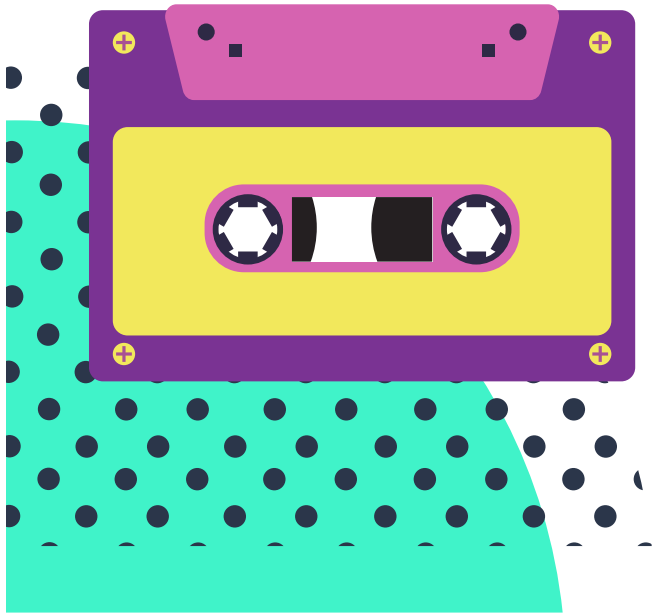

All you need to do is get some friends together, donate to take part and get cooking! How hard can a cheese and pineapple hedgehog be right? Don't forget those 80s tunes to really get into the vibe.

Party like it's 1988

Whether it's a night of cheesy tunes, or a New Romantic cool fest, have an 80s-tastic party for all your friends.

Raise money by selling tickets or collecting donations on the night. Instead of a raffle, why not get guests to bring something for an old school tombola!

Quiz Night

There's loads of trivia questions online, pick your favourites, find a suitably sequined jacket, and host an 80s quiz.

Your mates' teams can donate to take part whilst having fun being nostalgic and seeing how good your memory is!

The winners get bragging rights...

80s games-a-thon

Can you still get the top score on Pacman? Is there a Connect 4 set in the loft? It's time to find out...

Relive your youth, see what old 80s toys and games your friends and family have kept hold of, and get together to play them like the good old days.

Fundraise by making and selling snacks and cakes to keep you all going - it's hard work having so much fun!
